**WORK** [www.katecaloia.github.io](http://www.katecaloia.github.io)

### SKILLS

HTML + CSS + JS  
LESS + SASS  
Adobe CC Suite  
Usability & QA Testing  
Wireframing / Prototyping  
Responsive Email Templates  
Bootstrap / Foundations Frameworks  
Familiar with ColdFusion, PHP

### ABOUT ME

I believe in writing modular and reusable code so that everything I build is responsive and user friendly. I love problem solving and debugging a good code snippet. When I'm not buried in code you'll most likely find me biking or doing Crossfit.
